FLOWATER

FLOWATER ESSENTIAL: THE TAP, REBUILT.

Tap in. Stay hydrated. The FloWater Essential makes clean, crisp water accessible for smaller teams without sacrificing performance. All the benefits of FloWater, but streamlined for offices up to 25 people.

WHY TEAMS CHOOSE

+ **7x Advanced Purification.** 7x Advanced Purification. Removes impurities found in tap water for cleaner, healthier hydration.
+ **Perfectly Sized.** Supports up to 25 team members, delivering ~290 half-liter bottles of water in an 8-hour workday.
+ **Manageable Price Point.** A lighter lift than the FloWater Classic.
+ **Compact & Convenient.** Shorter height, ADA touch-compliant, and easy to place in tight spaces

7X ADVANCED PURIFICATION

Removes up to 99.9% of impurities and contaminants found in tap water.

PURIFY

SEDIMENT FILTER
removes dirt, dust, rust, and suspended solids.

CARBON FILTER
removes chlorine and other compounds at the particle level.

ADVANCED OSMOSIS
removes up to 99% of the remaining contaminants (think heavy metals, bacteria, viruses, pharmaceuticals, pesticides, dissolved solids).

IMPROVE

PRECISION LIGHTWAVE
advanced sanitation to keep tanks and lines fresh.

ALKALINE ENHANCEMENT
adds a proprietary blend of trace minerals to raise pH and help neutralize acidity.

ELECTROLYTE ENHANCEMENT
essential electrolytes (magnesium, potassium, sodium, calcium) to support healthy hydration.

FINISH

COCONUT CARBON FILTER
real coconut husks polish the water for that crisp, fresh FloWater taste.
